DEPARTMENT OF ENVIRONMENTAL CONSERVATION

Leave 'em out.

These items don't belong in the recycling bin.

NO PLASTIC BAGS

They wrap around sorting equipment & cause shutdowns. Instead: Bring clean, dry, and stretchy bags to a grocery or hardware store for special recycling. Otherwise put in trash.

NO BATTERIES

They are the leading cause of fires at sorting facilities. Instead: Bring to a drop off location for special recycling.

NO STUCK-ON FOOD/DRINK

It's gross—and it reduces the value of other recyclables. Instead: Rinse clean first.

NO SCRAP METAL ITEMS

They can damage equipment. Instead: Bring to a drop off location for special recycling.

NO CLOTHING

It gets wrapped around equipment and causes shutdowns. Instead: Donate for reuse, or bring to a drop off location for special recycling.

NO ELECTRONICS

They break, damage equipment, and endanger workers. Instead: Bring to a drop off location for special recycling.

NO HAZARDOUS CONTAINERS

They pose a risk to workers, even if empty (there's always residue). Instead: Take to hazardous waste event or facility, or trash if empty.

This is only a partial list. For more details, visit VTrecycles.com.
